Subject: 24-Hours of Pure Brilliance to Help Grow Your Business

During the holidays, it's customary to trim the tree, lay out a spread worthy of a king and go to the ends of the earth to buy the perfect gift for the people you love. This holiday season, don't forget about someone very important on your list...YOU!!!

My good friend Lethia Owens is doing something pretty audacious. She is hosting a live stream event where she will teach, coach, empower and train Women of Faith in Business. This event is called Audacious Faith - Abundant Business: a 24-hour live stream revival for women of faith who want to learn to trust God as they grow their business and who want to get paid well to do what they love.

Audacious Faith - Abundant Business is about helping Women of Faith in Business experience the abundance that God planned for them through the expression of their gifts, talents and expertise in the marketplace.

Take a moment right now to grab your seat and I'll see you on December 29th at 9:00 am for the kickoff of the live stream. This will be one of the most valuable gifts you give yourself this holiday season.
