Account Setup Checklist

Use this checklist to make sure you have all of your social media accounts created BEFORE attending the workshop. **Note that I am only asking you to create your accounts at this time.** Basically you are going to complete just the initial steps to create the account and we will walk you through setup and configuration during the workshop.

Be sure to record your username and password for quick access to your accounts.

If you would like help setting up your accounts, visit our guide found here - <http://lethiaowens.net/MDBAccountSetup>.
